Smith, of the Pettis Dry-goods Company, were married yesterday morning at 6 o'clock at the resi-dence of Bishop Chatard. The ceremony was pronounced by Rev. Father Joseph C.

Chatard. The bride wore a traveling gown. Mr. and Mrs. Smith have gone north for a trip, and when they return they will go into their own home at No. 416 Ash street, where they will receive their friends after Mr. and Mrs. M. B. Pentacost celebrated the fiftieth anniversary of their marriage

last evening at the residence of Mr. and Mrs. C. E. Thornton, on Broadway. About one hundred and fifty invitations were issued to the reception, and many of the guests were the old friends of the host and hostess. The rooms were tastefully adorned with flowers for the occasion, and over the mantel in the parlor were the dates 1844-1894 in gilt figures. In the dining room the table decoration was in golden yellow. Mr. and Mrs. Pentacost were assisted by Mr. and Mrs. Thornton, Mrs. D. R. Van Buskirk and Mrs. Isaac Craft, their niece, of Terre Haute. Mr. and Mrs. Pentacost were married in Henry county, near New Castle, July 31, 1844. They have made their home in this city for many years, and are well-known members of the Third Christian Church. They received many handsome gifts appropriate to the occasion from their relatives and friends. One of the presents was a five-dollar gold-piece of the date 1844. Among the guests were Mrs. Bufkin, of New Castle, and Mrs. Sharpe, of Eurich, Mo, who were at the wedding fifty years ago. Mr. and Mrs. Apperson, Mrs. Penta-cost and Mr. George Pentacost, of Kokomo, were the guests from out of town. The home of Dr. and Mrs. W. H. De Motte, No. 800 East Wishington street, was the scene of a pretty wedding last even-ing. The bride was their daughter, Miss Elizabeth DeMotte, and the groom Mr. Truman Post Carter, professor of natural science at the Illinois College, at Jacksonville, Ill. The ceremony was performed by Rev. John B. DeMotte, of Greencastle, an uncle of the bride, and was witnessed about fifty of the relatives and friends of both families. The bride was attended by her sister, Miss Amy DeMotte, and the groom by his brother, Mr. Herbert Carter, of Jacksonville. The bridal party stood beneath a canopy of vines and sweet peas and palms, and the same kind of flowers were used in the adornment of the entire room. The bride's gown was of cream faille français simply fashioned. She wore a tulle veil and carried a bunch of Bride roses. The maid of bonor wore a white India mulle, with collarette of rose color. After congratulations had been extended a wedding supper was served. The bride's table was in scarlet and white geraniums. The bridal party, with Mr. and Mrs. De Motte, Mrs. W. C. Carter and Rev. J. B. DeMotte, were seated at the bride's table. Mr. and Mrs. Carter have gone to spend a week at a country place with relatives, and afterwards they will go to Jackson-ville, Ill., where they will be at home to their friends after Sept. 1, at No. 872 Grove street. Both bride and groum received many handsome gifts, and still others await them in their new home. Among the guests at the wedding were Hon, Mark L De Motte and wife and Mr. and Mrs. Law-rence Letherman, of Valparaiso; Mrs. W. C. Carter, Mrs. W. F. Brown, son and daughter, of Jacksonville, Ill.

Their Cases Provoke a Call for Western League Meeting.

Took Advance Money from Detroit and Continued to Hold It After Going to Grand Rapids.

INDIANAPOLIS, 18; SEDALIA, 6

Manager Sharsig Finds Another Easy Mark in Missouri.

Toledo, Kansas City and Grand Rapids Win-Hard Luck for Cincinnati at Pittsburg.

Special to the Indianapolis Journal. MINNEAPOLIS, Minn., July 31 .- A meeting of the Western League has been called for this city on Thursday morning. This fact gives rise to a good deal of speculation as to the cause of the call. It is probable that the action of President Ellis, of the Grand Rapids team, in failing to make George and Carroll return advance money received last spring from President Vanderbeck, of Detroit, has had much to do with the call. Both these clubs had the two players in their original lists, Detroit going so far as to advance them money. The Western League directors, however, awarded the men to Grand Rapids, stipulating that they should return Detroit's advance money. There was much feeling over the decision at the time of the Milwaukee meeting, Vanderbeck claiming that he had been given an unfair deal. However, it all blew over and would never have come up again had not Ellis failed to make the two players return Detroit's money. He was repeatedly prodded by President Johnson on the matter, but persistently continued in his course. Finally, a few days ago, Johnson wrote him a letter, a copy of which was sent to every club president, making a final demand that George and Carroll return the Detroit advance money under pain of suspension for the rest of the season. Ellis was told pretty plainly that his course was ruinous to the interests of the league and that peremptory measures would be taken, if necessary, to force a compliance with the instructions of the directors of that organization. Johnson asked the support of every club in this matter, which involves a vital principle, and it is altogether probable that the league meeting is called to take the necessary action. To suspend George and Carroll for the balance of the season would practically mean the disruption of the Grand Rapids club, and it is a pretty serious matter at this stage. As Johnson said in his letter to Eliis, however, Gr. ad Rapids is, by no means, essential to the continuance of the present league, which is of vastly more importance than any one of its clubs, especially of Grand Rapids, which is not an especially profitable point for the league. The amount advanced by the Detroit club should long ago have been held out of the

Ellis has failed to do so, owing, doubtless, to a fear of displeasing the men, who are the strongest he has on his team. There is another matter to be considered -that of some transferred Grand Rapids games over which there is a dispute, it being held that the consent of all the clubs was not secured. The Western League, generally speaking, is in good financial condition and there should be no question

salaries of the two players in question, but

MINNEAPOLIS, Minn., July 31.-Grand Rapids won from Minneapolis to-day because of errors made by the home team at critical points. NATIONAL LEAGUE. Cincinnati Robbed by the Umpire at

Pittsburg Yesterday. PITTSBURG, July 31.-To-day's game was the most exciting of the season. The visitors began by knocking Ehret out of the box. Nicol, who was substituted, pitched a masterly game until the ninth inning, when the visitors hit him hard enough to tie the score. Gaffney's rank decision in the ninth inning in declaring a runner out at the plate is all that kept Cincinnati from winning. Parrott, who relieved Dwyer in the tenth inning, lost the game by hitting a batter, thus forcing in

WATERED THE SPIRITS.

An Inquiry That May Cause the Confiscation of 160,000 Gallons of Liquor.

BALTIMORE, July 31.-Collector of Internai Revenue Vandiver has submitted to Secretary Carlisle the results of an investigation which it is said may lead to the infliction of the highest penalty fixed by the revenue laws upon one of the largest distilleries in Baltimore, refusing, however, to give the name of the firm af-

The infliction of the penalty means the confiscation of about four thousand barrels of distilled malt and corn juice containing 168,000 gallons now in bond and the closing of the distillery for crooked work. said to have been devised to avoid paying the full amount of government tax.

The distillers were, as all others, anxious to get their stock out of bond at the present tax rate in view of the expected passage of the new tariff bill, under which the tax would be increased about 9 per cent, if the new rate is not still further increased before the compromisers get through with it. There has been a great rush of business at the bonded warehouses by distillers to get the advantage of the lower rate and the gaugers have The distillery in question decided to take advantage of this pressure to get in their

work and save not only the difference between the present and prospective rates. but also the difference between the rates at "proof" and those to which the liquor would be subject in its present condition. The present rate is 90 cents a gallon on whisky, which shows up to the standard of 100 or "proof," but as all spirits evap-orate while standing, the fluid generally shows 120 or more after being in the warehouse for some months and is obliged to pay a proportionately higher rate, averaging about 25 cents a gailon additional. The whisky is tested barrel by barrel when put into bond, but when taken out of the warehouse one barrel of a lot of twentyfive or fifty barrels is tested and taken as a standard. The government storekeeper supervises the entry and removal of the barrels, but the distillery employes usually handle them, so when the local firm recently applied for the release of four thousand barrels the gauger started in the usual way. The sample barrel sclected showed only a fraction above "proof." This unusual fact aroused the suspicion of the gauger and he tested the other barrels, all of which made a much higher showing. The matter was reported to the collector, who made an investigation which resulted, it is said, in his being convinced that distillery employes, knowing which barrels would be selected as samples, watered them liberally.

SOUTH DAKOTA RAINMAKERS.

They Sent Up Some Skyrockets and There Was a Downpour.

YANKTON, S. D., July 31 .- Ten days ago rainmaking experiments were begun in this county under the direction of two citizens who visited a Kansas rainmaker, obtained his chemical formula and received instructions in its use. One ton of chemicals were consumed and last night one of the most voluminous rainstorms of the summer was ushered in. It extended over an area of twenty miles square in all directions, from the experiment station near this city, and in local cities as much as two and a half inches of water fell. The rain saves late corn and insures a half crop of hay. The citizens in charge the rainmaking claim the storms of their production.

Hail Eight Inches Deep. MINNEAPOLIS, Minn., July 31 .- A special to the Tribune from Hills, Minn., says: The territory four miles west of here, near the Dakota line, was visited by a terrific cloudburst last night. Water stood four feet on the level and did great damage to grain in the shock. The cloudburst was followed by a hailstorm which threshed out the wheat in the shock and cut down hundreds of acres of corn. Hail lay in winrows this morning eight inches deep. The damage by hail and water is enormous to barns and houses as well as

Sixty-Six and Rubinstein the Other Winners in the Buffalo Circuit Races-At the Running Meetings.

BUFFALO, N. Y., July 31 .- The Grand Circuit races opened to-day with fair attendance and good weather. The card was short and the favorite won without exception. Rubenstein was far and away the best horse in the pacing class, and walked home each heat after outsprinting the field on the back stretch. Marie D. was so speedy that none of the other two-yearolds could get within hearing of her, and she was never forced to her limit. Newcastle took one heat in the 2:30 trot, but after that was too unsteady to give Sixtysix any brush, Geers holding him safe at every finish. Summaries:

Captain T. Surprised Them.

NEW YORK, July 31 .- The threatening weather kept the attendance at the Brighton Beach track down to a small figure today, but those there were out for business. Several good things went through. In the third race the Clio filly was well backed by her owner and a select few and, for the first time in a long while she got off well and won easily with the comfortable odds of 10 to 1 against her. May Irwin was third, while Vocality got the place. Despite the fact that he could not get out of his own way on July 23, with ninety pounds on his back, Captain T. took up six pounds more in the fourth race to-day and ran away with the handicap at a mile in 1:42, winning by two lengths, pulled up.

Speeches at the American Railway Union Last Night.

The American Railway Union held its mass meeting at Reichwein's Hall last night without leader Debs. That gentleman was detained at Terre Haute and Vice President Howard at the last meeting wired the union that he could not be present. About 150 members of the order marched to the hall at 7:30 o'clock, headed by a drum corps and the local officers. A dozen illuminated banners proclaimed the sentiment of those in the procession, many of them being particularly pertinent to the times. The sentence "What is home without a mortgage" flamed from an immense canvas box and was followed by one which said, "Pullman, you're a goner." Another advised laboring men to chase none but union-made goods." in the easiest possible manner. Summaries: , banners "Scab switchmen pay \$1 'a day for board and 50 cents for police protection" appeared to produce much glee among sympathizing spectators, as did its companion piece, "A traitor to his country is bad, but a traitor to the cause of labor is worse." A large banner at the rear of the procession bore the names "Woods, Baker and Grosscup," and "Debs, Howard and Kelliher." At the hall two hundred people had assembled to hear the speeches of local agitators. Editor Stockwell, of the Noncomformist, talked upon the ownership of railroads and telegraph by the government and advocated the plan. Jared Lamphier, the Monon engineer who made himself noted during the local strike, talked for a few minutes and was heartily cheered. Many of the leading Populists were present and assured the members of the American Railway Union that their votes would be thrice welcome.

An "Across the Creek" Hall.

The ladies of the Hyde Park M. E. Church gave a concert last night at Mick's new hall, corner of Illinois and Twentysecond streets. The occasion was the dedication of the new block recently erected by W. E. Mick, and the hall was crowded. Many of the prominent musicians of the city assisted in the rendition of an excellent programme. Particularly well rendered was the whistling solo by Miss Laura McManis and the violin solo by Mr. M. H. Spades, Miss Ida Sweenie sang "For All Eternity," and was followed by Mr. A. G. Shook, who sang a bass solo, entitled "Out on the Deep." One of the attractive features of the programme was a short talk upon a summer in Europe by Rev. Dr. Buchtel. The hall was brilliantly lighted with electricity and was profuse in decorations of the American flag and potted plants. After the concert the guests were served with delicate refreshments.

Feast of Portiuncula. The Catholics of the city will celebrate. commencing at 3 o'clock to-day, and continuing all day Thursday, a feast of great importance. It is called the Portiuncula, and is celebrated at the Franciscan Church, corner Palmer and Union streets. The members of all the other parishes are expected to take part, and during this time will make

frequent visits to church, praying for them-selves and for their dead friends, as the

church teaches that it is a holy and whole-

some thought to pray for the dead.

Often results in colds, fevers, rheumatism, neuralgia and kindred derangements. We do not "catch cold" if we are in good condition. If the liver is active, and the system in consequence doing its duty, we live in full health and enjoy life "rain or shine." To break up a cold there's nothing so valuable as Dr. Pierce's Pleasant Pellets. They keep the whole system regulated in a perfectly natural way. If we do not feel happy, if we worry and grumble, if we are morbid, if the days seem dreary and long, if the weather is bad, if things go awry, it is the liver which is at fault. It is generally "torpid." A common sense way is to take Dr. Pierce's Pleasant Pellets. We generally eat too much, take insufficient exercise, by means of which our tissue-changes become indolent and incomplete. Be comfortable—you are comfortable when well. You'll be well when you have taken "Pleasant Pellets." No Constipation follows their use. Put
